

Exit strokes: a recipe for disaster

Entry strokes confuse when you change from separate letters to joined up.

case for these cases a red petrol
 pumps travel around they are

titttle

100 years ago entry strokes caused trouble. They still do if you stop to dot your 'i' or cross your 't'.

Peccidact
 Military,

Entry strokes overlap but do not join when you stop and start in mid-word.

little little lit
 butter butter
 little little lit

Forget entry strokes. Wait to the end of short words to dot your 'i's and cross your 't's.

Entry strokes on wrongly formed letters make matters worse.

finish
 bass

'i' and 'r' push up from the base. Mock entry strokes make 'i' curve backwards.

in in in
 nnnnn

Start 'i' at the top and omit the entry stroke for efficient joins.
