

Repairing bad joins

Keep top joins straight. They must not wander up and down.

art when
art when

Bad joins to tall letters.

hole hole

Do not slide over the top.

wound follow
would follow

Wrong joins muddle words

Every bus
Every two

Top joins must not droop.

live well
live well

Joins look like an extra letter.

wood waded
wood waded

Strokes lost in joining.

Crossbar joins

Your crossbar must be at the right height. Not too high and not too low.

fa fe fi fo fu ta te ti to tu offer litter

the then that for offer for the to the town

Try crossbar joins to each vowel in turn. Then 'th', 'tt' and, 'ff' come next followed by short words.
