

# Spot your own mistakes

Use this part of the book for fault finding. Skim through the pages and look for samples that show what is wrong with your writing. This will help you to understand your faults. Putting them right will then be much easier.

formed

Wrongly formed letters join badly.

lots to worry  
no more to go

They get more confused when written fast.

if special sp sup stop stop

This 's' starts at the wrong place. The 'p' starts correctly but then goes mad. It was easy to alter the 's' to start at the top but 'p' took longer.

b p bp bp stop

The 'b' helped 'p' to move properly.
